

# Fulton Difference: Career Competencies Two-Year Plan

Name: Hrishikesan Thevar

## Be internship-ready in four semesters

### Career and Fulton Difference Competencies:

- Critical thinking
- Oral and written communications
- Teamwork and collaboration
- Technology
- Leadership
- Professionalism and work ethic
- Equity and inclusion
- Global engagement
- Competitive teams
- Entrepreneurship
- Mentorship
- Career and self development

### Customize your experience

Select a few Fulton Difference competencies and other activities each semester. Build your skills to reach each semester's and your ultimate four semester goals. Ask a Peer Mentor or Peer Career Coach for help. They can also help map the career and Fulton Difference competencies to your chosen activities.

### Peak recruiting seasons

**September/October** for the **majority** of the summer internships and jobs for December and May graduates.

**February/March** for the remaining summer internships and jobs for May graduates.
